

MEETING NOTICE
MONTANA BUILDING CODES COUNCIL:

1. The Montana Building Code Council will meet 10:00 o'clock a.m, May 9, 2007, in the basement conference room (room B07), 301 Park Avenue, Helena, Montana, to consider and make recommendations concerning certain new elevator technologies.

2. The Department of Labor and Industry (Department) will make reasonable accommodations for persons with disabilities who wish to attend this public meeting or need an alternative accessible format of this notice. If you require an accommodation, contact the Department no later than 5:00 p.m., on April 27, 2007, to advise us of the nature of the accommodation that you need. Please contact Tim Lloyd, Elevator Safety Program, 301 South Park Avenue, P.O. Box 200517, Helena, Montana 59620-0517; telephone (406) 841-2058; Montana Relay 1-800-253-4091; TDD (406) 444-2978; facsimile (406) 841-2050; e-mail; tlloyd@mt.gov.

3. The purpose of this meeting is to provide Otis Elevator with the opportunity to present its case supporting its request to have its "new technology" included within the state building code in order that the "GeN2" Otis Elevator systems may be approved for installation and use in the State of Montana. "GeN2" technology consists of changes that have been made in control room layout, control space layout, "coated steel belts (CSB's)" and fabricated coated steel belt (CSB) terminations.
